Product description

Adepta Sororitas: Seraphim Squad

The kit builds five Seraphim. The Seraphim each carry two bolt pistols, though two of their number can instead be equipped with hand flamers while two more can bear inferno pistols. One model can be assembled as a Seraphim Superior, armed with a bolt pistol or plasma pistol in one hand and a choice of bolt pistol, chainsword or power sword in the other.

This set is supplied in 107 plastic components and contains 5x Citadel 32mm Round Bases and 2x Citadel 45mm Groove Stem Sets. An Adepta Sororitas Transfer Sheet is also included.
