Product description

Death Guard: Lord of Virulence

Lead your Death Guard army with the disgustingly awesome Lord of Virulence. Clad in his mutilated Terminator armour, he is adorned with the signs of symbols of Grandfather Nurgle's many blessings. Armed with a twin plague spewer and plague claw, he is ready to spread these diseases across the galaxy. Covered in many different textures, the Lord of Virulence makes both an excellent painting project and spearpoint for your next Death Guard invasion.

This 20-piece plastic kit makes one Lord of Virulence. It is supplied with a 50mm Citadel round base.
