Product description

Space Marines: Assault Intercessors + Paints Set

This box is the perfect way to start your collection of Primaris Space Marines. You'll get three plastic Assault Intercessors with three distinct poses, the paints you need to prepare them for battle and a brush to get you started. These models are push fit, only requiring clippers to assemble – no glue, no mess.

Each warrior is armed with a heavy bolt pistol and an Astartes chainsword, and posed as though running forward at full tilt. One of the models is preparing to hurl a frag grenade at the enemy. Their armour and detailing matches the other Assault Intercessors in the range, allowing you to add to your squad without anything looking out of place.

The six paints are supplied in 12ml pots, including the essential colours needed to paint the Intercessors as Ultramarines and a Technical paint to create textured bases:

- Macragge Blue
- Balthasar Gold
- Corax White
- Abaddon Black
- Agrax Earthshade
- Astrogranite

You'll also find a Citadel Starter Brush included to get you going quickly.
