Product description

Warhammer Underworlds: The Wurmspat Dice Set

Every fan of The Wurmspat will want these custom dice in the colours of rotting and infected flesh! What's not to love? This set of attack and defence dice has been designed to closely match the putrid palette of this Nurgle warband.

This set contains:

- 5 marbled-effect green attack dice with bruised flesh-coloured pink details
- 3 grey, washed stone-effect defence dice with drab green details
