### Product description

## Adepta Sororitas: Celestial Sacresants

Equipped with their distinct Sacresant shields and clad in the Adepta Sororitas' signature power armour, these close-combat specialists are a durable force on the battlefield, capable of withstanding tremendous firepower. With a choice of armour-piercing anointed halberds or heavy hallowed maces, the Celestial Sacresants are equipped to deal with the enemy's elite and emerge victorious.

The kit is comprised of 69 plastic components, with which you can assemble five Celestial Sacresants, one of which may be assembled as a Celestial Superior, and is supplied with 5x Citadel 32mm Round Bases. This kit includes options for hooded or helmeted heads, and may be equipped with either anointed halberds or hallowed maces.
