Product description

Adepta Sororitas: Morvenn Vahl, Abbess Sanctorem of the Adepta Sororitas

The Supreme Commander of the Adepta Sororitas is a powerful figure to behold on the battlefield, marching to war in her relic Paragon Warsuit, Purgator Mirabilis, and carrying an ancient spear gifted to her by the Adeptus Custodes. Equally at home directing her Battle Sisters and getting stuck into the thick of combat, Vahl is a potent force multiplier capable of shifting the flow of the battle by her presence alone, driving nearby troops to the full extent of their ability and seeing the Emperor's will done beneath her steely gaze.

The kit is comprised of 41 plastic components, with which you can assemble one Morvenn Vahl, Abbess Sanctorem of the Adepta Sororitas, and is supplied with 1x Citadel 60mm Round Base. This kit also includes three head options, one with a helmet and two without.
