## Product description

# Adepta Sororitas: Paragon Warsuits

Paragon Warsuits are the epitome of the Adepta Sororitas' heavy infantry, carrying heavy firepower and massive close-combat weapons into the fray. Whether it's scouring away hordes of enemy infantry or dueling their strongest warriors, the pilots of these warsuits can tackle any challenge, all while trusting in the machine's thick armour plating to protect them from harm.

The kit is comprised of 179 plastic components, with which you can assemble three Paragon Warsuits, and is supplied with 3x Citadel 50mm Round Bases. This kit includes options to equip the warsuits with two different melee weapons, three different ranged weapons, two different carapace weapons, and includes helmeted and unhelmeted head options.
