Product description

Adepta Sororitas: Repentia Squad

The kit builds nine Repentia armed with penitent eviscerators. Each body has a choice of two sets of arms for added variety. The Repentia Superior wields a pair of neural whips – one coiled and the other mid-lash – though one can instead be swapped for a holy tome. Repentia Superior can also be assembled with a choice of two heads (either with or without helmet).

This set is supplied in 95 plastic components and contains 1x Citadel 32mm Round Base and 10x Citadel 28.5mm Round Bases.
