Product description

Adepta Sororitas – Sanctorem Guard

This boxed set is packed with elite units, led by one of the most devoted and authoritative leaders in the galaxy – Morvenn Vahl. She leads two squads of versatile and durable Paragon Warsuits as her own honour guard, protected by a squad of Celestian Sacresants armed with tower shields and deadly close combat weapons, and two five-woman squads of Battle Sisters eager to beat back the foe with holy bolts and sanctified flames. This box provides 23 plastic models with access to a variety of blessed armaments, making it an ideal way to start a new Adepta Sororitas army or add to your existing collection.

This set includes the following multipart plastic models:

- 1x Morvenn Vahl, Abbess Sanctorem of the Adepta Sororitas
- 6x Paragon Warsuits
- 5x Celestian Sacresants
- 10x Battle Sisters, accompanied by 1x Incensor Cherub, which can alternatively be built as Dominions or Celestians

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
