### Product description

## Adepta Sororitas: Sister Dogmata

As a strong core around which her fellow Battle Sisters fight, the Sister Dogmata is a powerful supporting Character able to bolster the forces around her with her presence alone. When a furious glare alone is not enough, she bellows holy war hymns and crushes the skulls of her foes with mighty swings of her righteous mace.

The kit is comprised of 15 plastic components, with which you can assemble one Sister Dogmata, and is supplied with 1x Citadel 32mm Round Base.
