### Product description

## Adeptus Custodes - Watchers of The Gate

This boxed set contains a powerful contingent of Adeptus Custodes under the leadership of Captain-General Trajann Valoris. This legendary warrior is more than a match for all but the very mightiest denizens of the 41st Millennium – even more so when supported by highly-mobile Vertus Praetors, high-indestructible Custodians in Allarus Terminator armour, and a large force of versatile Custodian Guards, the finest infantry in the galaxy. This box provides 22 plastic models with a huge variety of weapon options and alternative builds, making it an ideal way to start a new Adeptus Custodes army or customise your existing collection.

#### **This set includes the following multipart plastic models:**

- 1x Captain-General Trajann Valoris
- 3x Vertus Praetors, one of which can be built as a Shield-Captain on Dawneagle Jetbike
- 3x Allarus Custodians, one of which can be built as a Vexilus Praetor in Allarus Terminator Armour and another as a Shield-Captain in Allarus Terminator Armour
- 15x Custodian Guards, which include components to build some as Shield-Captains and Vexilus Praetors

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
