Product description

Adeptus Titanicus Acastus Knights Porphyrion

This multipart plastic kit contains the components necessary to assemble 2 Acastus Knights for use in games of Adeptus Titanicus. Each of these machines is armed with a pair of magna lascannon, and a choice of Ironstorm missile pods and Karacnos mortar batteries. These are highly detailed Adeptus Titanicus-scaled miniatures are every bit as impressive to behold as their larger brethren – details include the ability to have the top canopy open or closed, and a choice of defensive weapons to sit next to the model's head.

This kit comes as 46 plastic components and is supplied with 2 Citadel 60mm Round bases along with an Acastus Knight Porphyrion decal sheet that features heraldry for Houses Makabius, Vyronii, Malinax and Coldshroud.
