Product description

Aeldari: Warlocks

Warlocks are versatile psychic warriors, capable of supporting allies, cursing enemies, and lending power to allied Farseers. They can be included in your Aeldari army as individual characters, or taken as a unit of multiple psykers. This kit allows you to build one Warlock with an elegant witchblade, and one Warlock with a energy-infused singing spear, with a variety of arm options letting you create unique poses, plus a choice of two helmeted and two unhelmeted heads.

This set comprises 26 plastic components and is supplied with 2x Citadel 32mm Round Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
