## Product description

# Apocalypse Datasheet Cards: Necrons

Comprising everything you'll need and more to form an Outrider Detachment in Warhammer 40,000: Apocalypse (or to kick-start your Necrons collection with a bang), the Necrons Outrider Detachment set includes your three mandatory Fast Attack units (and a fourth for good measure!) as well as an HQ choice to lead it – and the options of building either a troop Transport or devastating Heavy Support choice. As a Character, the Cryptek can also serve as the Detachment's Warlord, enabling you to generate an additional Command Asset each turn.

A Necrons Outrider Detachment includes the following multipart plastic kits:

- 1 x Cryptek (Supplied with a Citadel 50mm Round Base)
- 2 x Canoptek Wraiths (6 miniatures, each supplied with a Citadel 40mm Round Base)
- 2 x Tomb Blades (6 miniatures, each supplied with a Citadel Flying stem with 32mm Flying Base)
- 1 x Ghost Ark (Supplied with a Citadel Flying stem with 60mm Flying Base, can instead be assembled as a Doomsday Ark)
- 1 x Necrons Transfer Sheet
