## Battleforce: Ossiarch Bonereapers -Mortisan Tithe-echelon

The Ossiarch Bonereapers collect this tithe, often by force, as Tithe-echelons march to battle led by fearsome and canny Mortisan commanders. Dissidents are extinguished with extreme force, while formations of Mortek Guard and towering Necropolis Stalkers march inexorably forward, replenished by Gothizzar Harvesters as they fall. Reap a bountiful bonetithe with this powerful collection.
