Product description

Battleforce: Slaves to Darkness - Warhorde of Eternus

The box includes 24 plastic miniatures for use in games of Warhammer Age of Sigmar, and will also save you money compared to buying the contents separately. It's an ideal way to start a Slaves to Darkness army, or easily add to an existing collection

This set includes the following multipart plastic models:

- 1x Eternus, Blade of the First Prince (which can alternatively be built as 1x Chaos Lord on Daemonic Mount)
- 3x Ogroid Theridons
- 5x Chaos Knights
- 5x Chaos Chosen
- 10x Chaos Warriors

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel Colour paints.

The miniatures in this set are also available separately.
