Product description

Battleforce: Sylvaneth - Revenant Wargrove

With powerful Heroes and Battleline units, this Battleforce boxed set is an ideal way to start a full Sylvaneth army, or add to an existing collection with models that can be built in a variety of ways. The box includes 29 plastic miniatures for use in games of Warhammer Age of Sigmar, and will also save you money compared to buying the contents individually.

This set includes the following multipart plastic models:

- 1x Drycha Hamadreth
- 2x Treelords, which can also be built as Treelord Ancients or Spirits of Durthu
- 10x Spite-Revenants, which can also be built as Tree-Revenants
- 16x Dryads

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
