In this book, you'll learn everything there is to know of the foul pestilences of Nurgle and his corrupted followers who wage war with rusted weapons and diseased touch. Discover the garden of Nurgle and Grandfather's never-ending quest to extend his rotting gifts across the whole of the Mortal Realms, as well as the feculent legions that march out to spread entropy and decay.

- Path to Glory campaign rules allowing you to undertake quests to seed the garden of Nurgle and fight across blighted battlegrounds
