Product description

Black Templars: Emperor's Champion

Wreathed in golden light, these implacable warriors can shrug off countless wounds and, in return, strike down innumerable foes. Their holy wargear is held in the Reclusiam of the Black Templars, and should the Champion falter and fall, crusades are launched to recover these sacred armaments.

The kit is comprised of 13 plastic components, with which you can assemble one Emperor's Champion, and is supplied with one Citadel 40mm round base. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel paints.
