Product description

Blood Bowl: Gutter Bowl

Join the fast-paced tactical fantasy football game in a new urban setting, as your amateur players weave between obstacles, beat up opponents, and score those all-important touchdowns. This expansion includes a double-sided Gutter Bowl pitch – one side depicting a crowded marketplace packed with stalls, the other depicting a foul sewer – as well as a pair of matching double-sided dugouts. There's also rulebook featuring the gritty backstreets history of Gutter Bowl, plus new rules for playing games and leagues on (and underneath) the mean streets of the Old World.

This set contains:

- 1x 36-page Blood Bowl: Gutter Bowl rulebook
- 1x Double-sided fold-out Gutter Bowl pitch
- 2x Matching double-sided dugouts

You will need a copy of *Blood Bowl – The Official Rules* to play Gutter Bowl.
