Product description

Blood Bowl: Old World Alliance Blood Bowl Team - The Middenheim Maulers

This multipart plastic kit builds an Old World Alliance team of 15 players for games of Blood Bowl. Using components from the existing Human, Dwarf, and Halfling team sets, you'll be able to build 3 Halfling Hopefuls, 3 Human Linemen, 1 Human Blitzler, 1 Human Thrower, 1 Human Catcher, 3 Dwarf Blockers, 1 Dwarf Runner, 1 Dwarf Blitzler, and 1 Dwarf Troll Slayer. Some of these players include cosmetic options such as different heads to help you customise your own team. The box also includes six balls, two double-sided Blood Bowl coins, and two turn markers - split evenly between Dwarf and Human designs - and a sheet of Old World Alliance transfers with team logos, numbers, and positionals.

This kit comprises 73 plastic components, and comes with 15x Citadel 32mm Round Bases as well as an Old World Alliance Transfer Sheet. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel Colour paints.

The rules to use Old World Alliance teams in your games of Blood Bowl can be found in *Blood Bowl - The Official Rules*.
