### Product description

## Blood Bowl: Treeman

This fantastic kit will build one of two different types of Treemen. The Altern Forest version blends in nicely with your Halflings (including the infamous Akhorne the Squirrel), while the Loren Forest Treeman features an ornate face mask that looks right at home in a Wood Elf team. Their slow speed is balanced by high strength and resilience, both sorely needed on those teams...

This plastic model is supplied in 13 components, including a 40mm round base. Treemen are available to play for Wood Elf, Halfling, and Old World Alliance teams. You can find all the rules you need to use them in your games of Blood Bowl in the Second Season Official Rules.
