Manufacturer	<b>Games Workshop</b>

### Product description

## Blood Bowl: Underworld Denizens Blood Bowl Team – The Underworld Creepers

This multipart plastic kit builds an Underworld Denizens team of 12 players for games of Blood Bowl. Using components from the existing Goblin and Skaven team sets, you'll be able to build 6 Goblin Linemen, 3 Skaven Clanrats, 1 Skaven Blitzer, 1 Skaven Thrower, and 1 Skaven Gutter Runner. Some of these players include cosmetic options such as different heads to help you customise your own team. The box also includes six balls, two double-sided Blood Bowl coins, and two turn markers – split evenly between Skaven and Goblin designs – and a sheet of Underworld Denizens transfers with team logos, numbers, and positionals.

This kit comprises 50 plastic components, and comes with 14x Citadel 32mm Round Bases as well as an Underworld Denizens Transfer Sheet. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.

The rules to use Underworld Denizens teams in your games of Blood Bowl can be found in *Blood Bowl – The Official Rules*.
