Product description

Blood Bowl: Varag Ghoul-Chewer

When the conversation of greatest Orcs to play Nuffle's sacred game crops up, as it often does in the various taverns in the Badlands, one name is always mentioned. The now legendary Varag Ghoul-Chewer continues to dominate the sport, growing stronger and tougher with time.

Varag is a shockingly good Star Player who deserves a place on any Badlands Brawl and Underworld Challenge team. This brute can even punch through heavy armour, helping to cement his reputation as one of the most violent players in modern Blood Bowl.

This finely detailed plastic model is supplied in 18 components and comes with a 32mm Round Blood Bowl base. All the rules you need to use Varag Ghoul-Chewer are included for your convenience. You can also find them in Blood Bowl - The Official Rules and Spike! Journal 12.
