### Product description

## Chaos Daemons: Be'lakor, the Dark Master

As befits the greatest of the Daemon Princes, Be'lakor is every bit the creature of nightmare he appears to be. Supernaturally skilled in both the martial and magical arts, his imposing figure is the perfect centrepiece for an army of Chaos and a potent wrecking ball with which to cast your enemies aside. Most impressive of all, this incredible model is 170mm tall from the bottom of his base to the tip of his wings.

This multipart plastic kit is comprised of 85 components, with which you can assemble one Be'lakor, the Dark Master, and is supplied with 1x Citadel 100mm Round base. This kit contains multiple options to build Be'lakor themed for either a Warhammer Age of Sigmar Slaves to Darkness army, a Warhammer 40,000 Chaos Daemons army, or a neutral theme to suit both games.
