Product description

Chaos Space Marines: Accursed Cultists

This multipart plastic kit builds eight Accursed Cultists – five twisted Mutants and three horrifying Torments. These stunningly grotesque models are loaded with vile details and unique mutations, from writhing tentacles to bladed talons. Each Mutant lurches forward, a human-sized nightmare clad in the ragged shreds of cultist robes, while the Torments are looming, warped creatures marked with scarified runes and binding seals, boasting only vestigial remains of their once-human form.

This set comprises 36 plastic components and is supplied with 5x Citadel 25mm Round Bases and 3x Citadel 40mm Round Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
