### Product description

## Chaos Space Marines: Chosen

This multipart plastic kit builds five Chosen, hardened Chaos Space Marine warriors who lead the assault on enemy positions. These veterans are armed with a dizzying variety of vicious melee armaments – accursed weapons in the form of chainswords, chainaxes, power fists, lightning claws, and different power weapons – as well as bolt pistols, boltguns, and optional special weapons for blasting chunks out of the foe – two plasma pistols, and two combi-weapons with three configurations each (flamer, melta, or plasma). In addition to cross-compatible weapons, this massively customisable kit offers a huge range of interchangeable cosmetics – including five unique backpacks, 10 unique shoulder pads, 13 unique heads (both bare and helmeted), and various accessories – as well as components to build a Chosen Champion with a choice of chestplates, loincloths, trophies, and a Chaos icon with different symbols for each Chaos God.

This set comprises 102 plastic components and is supplied with 5x Citadel 32mm Round Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
