Product description

Citadel Colour: Verdian Veldt Tufts

Bring colour and detail to your armies' bases with Verdian Veldt Tufts from Citadel Colour, making it easy to tie your army together with natural-looking bases in minutes. The tufts attach to bases by a strong adhesive backing and can stick to many paints and basing materials. Each one can be easily cut or torn into various shapes as needed, and are perfect for armies deployed to lush grassy environments.

This pack contains 125 grassy tufts split as follows:

- 48 small round
- 35 large round
- 24 rectangular, rounded ends
- 18 crescents

Miniatures displayed in images are for scale purposes only and are not included with this product.
