Product description

Cities of Sigmar: Pontifex Zenestra, Matriarch of the Great Wheel

This multipart plastic kit builds Pontifex Zenestra, the holy Matriarch of the Great Wheel. This mysterious but inspiring figure exudes the zealous fervour of Sigmar's faithful, sat atop an ornate palanquin decorated with gargoyles, censers, and symbols of the Heldenhammer and the Great Wheel. Zenestra herself carries only an hourglass to measure each turning of the Great Wheel, with a holy sceptre resting across her robed lap – her true weapon is faith.

Two devoted acolytes carry this blessed platform into battle, imbued with seemingly divine strength. They have four different heads to choose from – two bare, two with a hood or skullcap – allowing you to personalise your holy procession to suit your army's aesthetic.

This kit comprises 35 plastic components, and comes with a Citadel 90x52.5mm Oval Base.

This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
