Codex: Chaos Knights

This comprehensive book is a must-have for those who play and collect the dread harbingers known as the Chaos Knights, as well as those who entice a Dreadblade Knight to serve in their Chaos armies. It provides all the rules to play a Chaos Knights army – including Dread Households, the Favour of the Dark Gods, and the terrible powers of the Warp Storm – and contains a substantial lore section so that you can learn all about the corruption of the once-chivalric Knight Households, the nature of their vile mechanical steeds, and the devastating armaments they bring to bear in battle.

Inside this 112-page hardback book, you'll find:

- In-depth background on the Chaos Knights, the Iconoclast and Infernal Knight Houses, and the perfidious Dreadblades
- Detailed artwork of the devastation wrought by these Fallen Nobles and their apocalyptic steeds, as well as the icons of their most feared Houses
- All the rules you need to play a Chaos Knights army, including 10 datasheets, unique upgrades and powers, and how to include a Knight in other Chaos armies
- Complete rules for Crusade campaigns and narrative games, in which your Knights set the galaxy aflame as they progress down the Eightfold Path to Damnation
- An 'Eavy Metal miniatures showcase full of wonderfully painted Chaos Knights miniatures
