Product description

Codex Supplement: Space Wolves

Inside this 88-page hardback codex, you'll find everything you need to unleash the Space Wolves in battle, plus thrilling lore and art to inspire your own collection, including:

- The history of the Space Wolves, with a look at how they relentlessly take the fight to the enemies of the Allfather across the Sea of Stars
- A Space Wolves bestiary with background details for every unit and Character featured
- A showcase of stunningly painted Citadel miniatures
- Rules for Space Marines units that are uniquely available to the Space Wolves
- Rules for Sagas – a unique form of Warlord Traits – and how the mighty heroes of the Chapter can inspire their battle-brothers by performing the Deeds associated with them
- Stratagems, the bespoke Tempestas psychic discipline, Relics of the Fang, and optional secondary objectives that define the ways that the Space Wolves wage war
- Bespoke Crusade rules providing new Agendas, Requisitions, Battle Traits, Honorifics, and Crusade Relics that are unique to the Space Wolves
- And more!

You will need a copy of Codex: Space Marines and the Warhammer 40,000 Core Book to use the rules included in this codex.
