### Product description

## Codex: T'au Empire

This 136-page book comprehensively covers the T'au Empire. It has everything you need to bring the technological might of the T'au to bear on the tabletop in order to expand the empire, plus a selection of lore and art to inspire your own collection.

#### Inside this hardback codex you'll find:

- The origins of the T'au Empire, their desire for unity through the Greater Good, and their will to expand as a species
- A detailed description T'au's caste-based society, the various Spheres of Expansion, the Septs that form the Empire, and the technological and military might of the T'au
- Background information on the Ethereals, as well as characters such as Aun'Shi, Shadowsun, and Commander Farsight
- A showcase of stunningly painted Citadel miniatures
- 37 datasheets for the units that make up the T'au forces, from squads of Fire Warriors, to incredible Battlesuits, and heavily armed tanks
- Battle-forged rules that represent how the T'au wage war, from Sept Tenets, Cadre Commands, Independent Powers, as well as Bespoke Stratagems, Prototype Systems, and more.
- Crusade Rules that let you bring the Greater Good to various planets through overpowering force and subtle diplomacy
- And more!
