Product description

Combat Patrol: Thousand Sons

Expand the dominion of Magnus the Red with Combat Patrol: Thousand Sons! This boxed set provides you with all the units you need to get started or build on an existing force. The contents of this set have been specifically chosen to provide you with an ideal Thousand Sons force for Combat Patrol-sized games – approximately 25 Power Level's worth of models – and will also save you money compared to buying the contents individually.

This set includes the following multipart plastic models:

- 1x Infernal Master
- 5x Scarab Occult Terminators
- 20x Tzaangors

It also includes 4x Tzaangor Upgrade Frames and 1 x Chaos Space Marine Transfer Sheet. All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
