Manufacturer	Games Workshop

Product description

Combat Patrol: Tyranids

Command a teeming horde of bio-engineered monsters to devour the galaxy with Combat Patrol: Tyranids! This boxed set provides you with all the units you need to get started or reinforce an existing army. The contents of this set have been specifically chosen to provide you with a Tyranids force ideal for Combat Patrol-sized games – approximately 25 Power Level's worth of models, which can be built in a variety of ways – and you will also save you money compared to buying the contents individually.

This set includes the following multipart plastic models:

- 1x Hive Tyrant, which can also be built as a Winged Hive Tyrant or a Swarmlord
- 3x Tyranid Warriors, which can also be built as a Tyranid Prime and 2x Tyranid Warriors
- 36x Termagants
- 3x Ripper Swarms

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
