### Product description

## Craftworlds Eldrad Ulthran

This multi-part plastic kit contains the components necessary to assemble Eldrad Ulthran. Standing tall, wielding a beautifully-jeweled witchblade and the Staff of Ulthamar, he wears impressively elaborate armour reflecting his status as high Farseer. Patterns of psycho-receptive wraithbone runes are secreted about the model – Eldrad is said to have devised over a dozen distinct runes. Even his billowing cloak is inscribed with runes, demonstrating his psychic might – as a backup, should his psychic abilities fail, he carries a shuriken pistol also.

This kit comes as 13 components, and is supplied with a Citadel 25mm Round base.
