### Product description

## Crusade Mission Pack: Plague Purge

This mission pack is a narrative play expansion for the Warhammer 40,000 Crusade campaign system.

Within, you'll find the rules required to play games of Warhammer 40,000 set in the Charadon Sector, which has become embroiled in war since the arrival of Typhus and the Death Guard at the head of a vast Chaos fleet. This mission pack has been specifically designed for use in narrative play Crusade games, where your campaigning forces can wage war across the Obolis and Lirac Sub-sectors. With plagues running amok and devastating new weaponry being brought to bear on every front, will your Crusade force rise to prominence or buckle beneath the weight of the terrible conflict?
