### Product description

## Daemons of Slaanesh: Fiends

Fiends of Slaanesh are deadly combatants who excel at cutting down larger foes. Whether they're slaying monsters in Warhammer Age of Sigmar or slicing up heavy infantry in Warhammer 40,000, these beasts are great for any Slaanesh or Daemons army. They'll play havoc with your opponent's Psykers and Wizards, too!

This kit builds 3 Fiends of Slaanesh, and includes options to turn one of them into a Blissbringer. It is supplied in 63 plastic components, and comes with 3 x 75mm oval bases.
