### Product description

## Daemons of Slaanesh: Keeper of Secrets

This kit builds one Keeper of Secrets, and features a number of options for customisation, including a choice of head, weapons and impaling claws, allowing you to field multiples of this monster while ensuring they look distinct. What's more, this kit can alternatively be used to build Daemon hero Shalaxi Helbane.

This set is supplied in 51 plastic components, and comes with 1x 100mm round base.
