Product description

Datacards: Drukhari

Datacards make referencing your rules in battle easy. Containing quick-reference Stratagems, they allow you to dictate the battle with the skill and acuity of Vect himself – or, at the very least, ensure you don't forget to use that crucial Stratagem when you need it most!

This pack contains 41 datacards, divided as follows:

- 7x core Stratagem cards
- 34x Drukhari Stratagem cards

You will need a copy of Codex: Drukhari to use the contents of this set.
