Product description

Daughters of Khaine: Melusai Ironscale

The Melusai Ironscales are mighty champions of the Murder God, wielding bladed staves to deadly effect both in melee and at range. Their bloody deeds are a source of great inspiration to their Melusai kin around them, spurring whole hordes of the vicious serpentine warriors to swift and violent action.

This kit is comprised of 20 plastic components, with which you can assemble one Melusai Ironscale, and is supplied with 1x Citadel 40mm Round Base.
