Dawnbringers: Book II - Reign of the Brute

Reign of the Brute is the second chapter of Dawnbringers, an epic series of books driving forward the narrative of Warhammer Age of Sigmar. You'll find loads of riveting background material detailing the travails of the Twin-Tailed Crusade and its mortal champions, as well as the mighty beasts and hordes of Destruction that roam Aqshy and Ghyran. The book also includes a set of Path to Glory campaign rules that link into later Dawnbringer books, as well as new warscrolls, narrative battleplans, and four armies of renown.

Inside this 96-page hardback book you'll find:

- A high-stakes, action-filled narrative spread across both Aqshy and Ghyran, as the Twin-Tailed Crusade encounters foes that are vast, ancient, and angry
- Warscrolls, background, and pitched battle profiles for Trugg the Troggoth King and new Ironjawz units, such as monstrous Maw-grunta Gougers
- Path to Glory rules for sending your Cities of Sigmar army on a Ghyranite or Aqshian crusade, with branching quests, battleplans, and new rewards
- Rules for four themed armies of renown, each with new allegiance abilities: Trugg's Troggherd, the Grunta Stampede, King Brodd's Stomp, and the Grundstok Expeditionary Force
- Four new narrative battleplans that let you use armies of renown to play out key moments in the story on the tabletop
