Product description

Death Guard Plague Marine Champion

This multi-part plastic kit contains the components necessary to assemble a Plague Marine Champion, who can be added to a unit of Plague Marines. Clad in bulging, rusted power armour, he comes with a choice of two variant heads – one helmeted, and one bare (with an unsettlingly large horn growing out of his face...). Befitting his Champion status, he is decked out in chainmail, with a cloak prominently featuring the symbol of Nurgle. He is armed with a plaguesword and power fist, and includes a boltgun which hangs from his backpack. 2 Nurglings are included – one atop his shoulder, clutching a smoking censer, and one optional Nurgling for his base, comically clad in a Death Guard helmet.

This kit comes as 8 components, and is supplied with a Citadel 32mm Round base.
