Product description

Death Guard Plague Marine Icon Bearer

This multi-part plastic kit contains the components necessary to assemble a Plague Marine Icon Bearer. Armed with a boltgun, and carrying a plague knife strapped to his backpack, he is dragging an Icon of Despair into the fray, one shaped to resemble the symbol of Nurgle (parts of this symbol being delightfully picked out with a skull and a helmet.) His armour is cracking and rusting due to the sheer force of corruption, and horrible tentacles are oozing from gaps in his right leg. 4 Krak grenades are strapped to the front of his armour and, in a lovely touch, he carries a rotting severed head attached to his belt.

This kit comes as 5 components, and is supplied with a Citadel 32mm Round base.
