### Product description

## Flesh-Eater Courts: Crypt Ghast Courtier

Crypt Ghast Courtiers are a small but essential part of any Flesh-eater Courts army. Fighting alongside your Crypt Ghouls, they pack a nasty punch in melee - but where they shine is in support. These guys can restore more models to your Crypt Ghoul units, as well as granting them extra attacks - turning them into an ever-regenerating wall of death!

This kit builds one Crypt Ghast Courtier. You can also use this set to build a unit of Crypt Ghouls, packed with optional extras for customising each - snarling heads, clawing talons, shattered bones and more.

This plastic kit builds 20 models, and is supplied with 20x25mm round bases.
