## Product description

# Flesh-Eater Courts: Cryptguard

This multipart plastic kit builds 10 Cryptguard, devoted ghoul retainers for the nobility of the Flesh-eater Courts. The Cryptguard carry a variety of cursed weapons into battle – you can outfit each ghoul with a chipped and battered sword, or a long-handled and well-worn halberd. The kit also provides components to build a drummer musician, a standard bearer waving a flag of flayed skin, and a Crypt Captain champion with uniquely grisly headgear.

The kit includes plenty of cosmetic options to help you assemble a truly varied horde of ferocious ghouls. You'll find a variety of alternative arms and armaments, as well as loads of interchangeable heads – each more gruesome than the last.

This kit contains 100 plastic components, and 10x Citadel 25mm Round Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
