### Product description

## Flesh-Eater Courts: Grand Justice Gormayne

This multipart plastic kit builds Grand Justice Gormayne, a horrifying vampiric arbiter of the Flesh-eater Courts. Swinging a gore-streaked gavel fashioned from well-gnawed bones, the Grand Justice calls for order and cracks unruly skulls. He pronounces judgement on Ushoran's enemies whilst dressed in what he believes to be the finest robes and wig of office, reading ancient laws from a ragged 'legal tome'.

This kit contains 10 plastic components and comes with a Citadel 32mm Round Base. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
