Product description

Flesh-Eater Courts: Morbheg Knights

This multipart plastic kit builds three Morbheg Knights, the nightmarish leather-winged cavalry of the Flesh-eater Courts. These ghoulish outriders swoop across the battlefield at terrifying speeds, charging down foes with grisly lances before their foul nightshrieker mounts tear apart any survivors. You'll also find components to build a hornblower musician, a standard bearer waving a flag of flayed skin, and a Champion of Morbheg with uniquely grisly headgear, a skull-helmed nightshrieker, and a knightly sword.

The kit offers plenty of interchangeable cosmetic options to help ensure your cannibal cavaliers look unique on the battlefield – including five bat heads for the nightshriekers, eight heads for the ghouls, and six different shields decorated with bones, flayed skin, and other gruesome trophies.

This kit contains 89 plastic components, and 3x Citadel 75x42mm Oval Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints
