Manufacturer	Games Workshop

Product description

Flesh-Eater Courts: Ushoran, Mortarch of Delusion

This multipart plastic kit builds Ushoran, the Mortarch of Delusion, the vampiric fountainhead of the Flesh-eater Courts. He's a towering figure, even when hunched over as if to greet a courtier – or personally destroy a smaller foe. Ushoran is clad in the finest royal regalia his ghoul servants can scavenge, from corroded jewellery and ragged robes to a fur cloak of nightshrieker pelts, and a crown of bone extends directly from his skull – a gift from his old master, Nagash.

In battle, the Carrion King swings his royal sceptre like a massive, gore-streaked club, and in less lucid moments uses his monstrous claws and fangs to tear offenders limb from limb. The chalice that hangs at his waist grants Ushoran even greater reserves of vampiric resilience, and ghouls across the realms fight for the chance to drink from its bloody contents.

The Mortarch of Delusion is the capstone of any Flesh-eater Courts collection, and a fitting centrepiece to even the largest of ghoulish armies. Whether you want to spread madness across the Mortal Realms or paint a stunning display piece for your shelves, Ushoran is a royal fit for the role.

This kit contains 61 plastic components and comes with a Citadel 130mm Round Base. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
