## Product description

# Fyreslayers: Hearthguard Berzerkers

This multi-part plastic kit gives you the components necessary to build five Hearthguard Berzerkers, clutching double-handed berzerker broadaxes and fyresteel throwing axes. Clad in minimal armour with ur-gold runes hammered into their flesh, sporting immense beards and mohawks poking through their ornate drake helms. They can optionally bear a double-handed flamestrike poleaxe, and one model can be assembled as a Karl, the unit's leader, featuring a special crest and modifications to his axe.

Alternatively, this kit can be used to assemble five Auric Hearthguard. Seventy-six components in total, with five Citadel 32mm Round bases.
