Product description

Grey Knights: Terminator Squad

This multi-part plastic boxed set contains 153 components and five 40mm round bases with which to make either a Grey Knight Terminator Squad or a Grey Knight Paladin Squad. There is an array of weaponry and unit upgrades including Nemesis falchions, Nemesis force halberds, a Nemesis Daemon hammer, a Nemesis warding stave, a psycannon, a psilencer and an incinerator. This kit is unpainted and requires assembly - we recommend using Citadel Plastic Glue and Citadel Paints.
